Aa

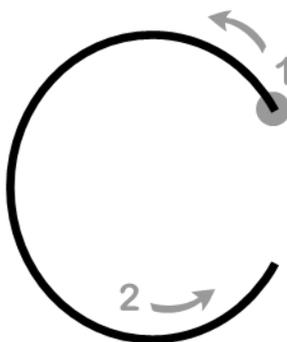

The top section of the page contains a tracing guide. On the left, a large uppercase letter 'B' is shown with five numbered arrows indicating the stroke order: 1 (downward vertical line), 2 (top horizontal line), 3 (top curve), 4 (middle horizontal line), and 5 (bottom curve). To its right is a lowercase letter 'b' with four numbered arrows: 1 (downward vertical line), 2 (top curve), 3 (middle curve), and 4 (bottom curve). Further right, the letters 'Bb' are displayed in a bold, outlined font. Below the letters is a simple line drawing of a banana with a stem and a small leaf.

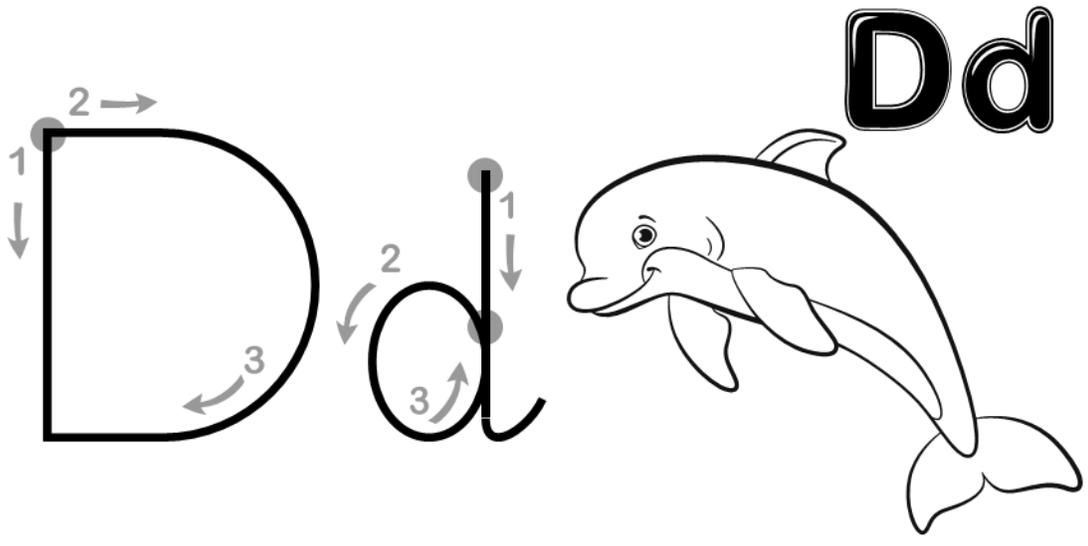

The middle section of the page features three rows of tracing practice on a four-line grid. The first row contains one solid uppercase 'B' followed by five dashed uppercase 'B's for tracing. The second row contains six dashed uppercase 'B's for tracing. The third row contains one solid lowercase 'b' followed by seven dashed lowercase 'b's for tracing.

Cc

Dd

The tracing guide shows the uppercase letter 'D' and lowercase letter 'd'. For 'D', stroke 1 is a vertical line down, stroke 2 is a horizontal line across the top, and stroke 3 is a curved line from top to bottom. For 'd', stroke 1 is a vertical line down, stroke 2 is a counter-clockwise curve starting from the top, and stroke 3 is a counter-clockwise curve starting from the middle. A dolphin is illustrated to the right of the letters.

Tracing practice rows:

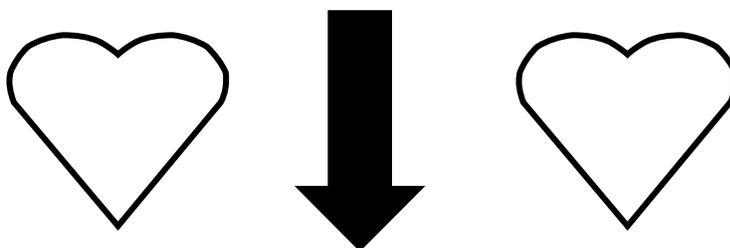

- Row 1: A solid uppercase 'D' followed by four dashed uppercase 'D's for tracing.
- Row 2: Four dashed uppercase 'D's for tracing.
- Row 3: A solid lowercase 'd' followed by seven dashed lowercase 'd's for tracing.
- Row 4: Eight dashed lowercase 'd's for tracing.

The image contains five rows of handwriting practice on a four-line grid. Each row starts with a solid line and is followed by dashed lines for tracing. Row 1: 12 vertical lines, each starting from a grey dot on the top line. Row 2: 12 diagonal lines sloping down to the right, each starting from a grey dot on the top line. Row 3: 12 diagonal lines sloping down to the left, each starting from a grey dot on the top line. Row 4: 4 triangles, each with a grey dot at the top vertex. Row 5: 4 houses, each with a grey dot at the top vertex of the roof.

The worksheet is designed for tracing practice on a set of horizontal lines. It contains the following elements:

- Row 1:** A solid uppercase letter 'C' with a grey starting dot at the top right, followed by a dashed uppercase letter 'C' with a grey starting dot at the top right, and a dashed uppercase letter 'C' without a starting dot.
- Row 2:** A solid uppercase letter 'C' with a grey starting dot at the top left, followed by a dashed uppercase letter 'C' with a grey starting dot at the top left, and three dashed uppercase letters 'C' without starting dots.
- Row 3:** A solid butterfly with a grey starting dot on its head and black dots on its wings, followed by a dashed butterfly with a grey starting dot on its head.
- Row 4:** Two dashed butterfly heads, each with a grey starting dot on the top.
- Bottom Section:** Four blank horizontal lines for independent practice.
