The image contains a tracing guide for the letter 'T'. It shows three examples of the letter with numbered arrows indicating stroke order: 1. A horizontal line from left to right. 2. A vertical line from top to bottom. 3. A horizontal line from left to right across the top of the vertical line. To the right of the guide is a large illustration of a train with a locomotive and two passenger cars. Below the train are three rows of handwriting practice lines. The first row has a solid uppercase 'T' on the left and a dotted uppercase 'T' on the right. The second row has a solid lowercase 't' on the left and a dotted lowercase 't' on the right. The third row has a solid lowercase 't' on the left and a dotted lowercase 't' on the right. The remaining space in each row is filled with dotted letters for tracing.
