The tracing guide shows the stroke order for uppercase 'N' and lowercase 'n'. Uppercase 'N' is formed by three strokes: a vertical line down (1), a diagonal line down-right (2), and a vertical line down (3). Lowercase 'n' is formed by three strokes: a vertical line down (1), a curved line starting from the top of stroke 1, curving right and then down (2), and a small curve at the bottom (3).

The practice section consists of four rows of handwriting lines. The first row contains two solid uppercase 'N's followed by three dashed uppercase 'N's. The second row contains four dashed uppercase 'N's. The third row contains one solid lowercase 'n' followed by four dashed lowercase 'n's. The fourth row contains six dashed lowercase 'n's.

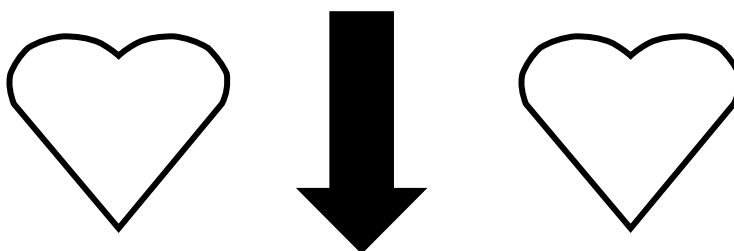

Handwriting practice sheet for the letter O. The sheet includes a bone-shaped outline, a large 'O' with stroke order arrows (1: counter-clockwise curve, 2: clockwise curve), and a smaller 'o' with stroke order arrows (1: counter-clockwise curve, 2: clockwise curve). Below are four rows of handwriting lines. The first row has a solid 'O' with a starting dot, followed by a dashed 'O' with a starting dot, and three dashed 'O's. The second row has five dashed 'O's. The third row has a solid 'o' with a starting dot, a dashed 'o' with a starting dot, and five dashed 'o's. The fourth row has seven dashed 'o's.
